NEW: CORPORATE GOVERNANCE WORLDWIDE - A GUIDE TO BEST PRACTICES FOR MANAGERS

ICC publication No. 654

Shelf Price: £50.00

Member Price: £40.00

Major corporate scandals in the early years of the 21st century have placed corporate governance at the front and centre of corporate and government priorities. Today, good corporate governance – the rules and practices that govern the relationship between the managers and shareholders of corporations, as well as stakeholders (employees, pensioners and local communities) – has become a must in the modern business environment.

Corporate Governance Worldwide provides an update of breaking developments in the field, and recommendations for how business should react to new governance requirements generated by governments and the marketplace.

Corporate Governance Worldwide includes comprehensive coverage of:

- The driving forces behind corporate governance
- New corporate governance developments in the US, the European Union, Asia & Latin America
- The different requirements of SMEs, family owned enterprises and large multinationals
- The responsibilities of boards of directors, CEOs and CFOs
- The rights of shareholders and institutional investors
- Corporate responsibility and what it entails
- Strategic thinking on governance for the future

Case studies include:

- The Enron and Parmalat scandals
- The Vodafone / Mannesmann merger
- The board structures of companies such as Ford and Siemens
- The accounting failures at companies such as Ahold in the Netherlands and Yanguangxia in China.

NEW: BANK GUARANTEES IN INTERNATIONAL TRADE (3RD ED)

ICC Publication No. 661

Shelf Price: £148.00

Member Price: £118.40

Bank Guarantees in International Trade offers practitioners in international trade law the most complete and practical examination of banking law in the field. In its third edition, the study uses case law and legal writing from five European

countries to build an analysis of how the practical applications of bank guarantees has established a pattern of law. Author Roeland Bertrams also takes into account US writing on the subject, as well as relevant cases from Europe. Contents include:

- Types of guarantee (tender, performance, maintenance, repayment, retention, judicial)
- Payment mechanisms (first demand, third-party documents, arbitral or court decision)
- Legal comparisons
- Risks and negotiations
- Bank guarantees as a financial service
- Bank guarantee drafting clauses
- Relationship of instructing bank and issuing bank
- Direct bank guarantee to account party
- The counter-guarantee

NEW: DISPUTE BOARD RULES - in force from 1 September 2004

ICC Publication No. 829 Shelf Price: £1.00 Member Price: £0.80

Dispute Boards are independent bodies normally set up at the outset of a contract for its duration. Comprising one or three members thoroughly conversant with the contract, dispute boards can help parties resolve their disagreements and disputes by providing informal assistance and issuing recommendations or decisions. This booklet contains a set of documents published by ICC for business partners wishing to establish and operate a dispute board. An introduction provides explanations on this most recent of ICC's dispute resolution services. It also includes **Standard ICC Dispute Board Clauses** and a **Model Dispute Board Member Agreement**.
